

CARE OF PATIENTS

Who We Are

St. Margaret's Home Care is one of the finest providers in Georgia offering a comprehensive variety of personal home care options. We enable aging adults and the physically compromised to live independently with the best quality care possible in their home.

What we do

We provide an array of services customized according to the needs of our clients who are medically frail, the physically challenged and the mentally disabled live in the comfort and security of their own homes.

We UNDERSTAND

Our staff members understand that maintaining independence and the quality of life is important to our clients. We work hard to ensure that our services are focused toward achieving those goals.
